

Finding The Cherwell Unit

The Cherwell Unit is located on the ground floor in the Brunel Treatment, at the rear of the main hospital. Patients & Visitors are requested to use the main entrance to the building, which faces the nearly completed Victoria Centre.

Patients who come to the hospital by private transport are requested to ensure they put enough money in the machine for parking, to cover the duration of their appointment. This information is available on your appointment notification.

General Surgery Appointments – Patients can expect to be up to 2 hours.
Orthopaedic Appointments - Patients can expect to be up to 6 hours.
